

Bull Run Civil War Round Table
Policy Statement on Meetings and Events During Public Health Crises

The safety and wellbeing of Round Table members is our primary concern during Bull Run Civil War Round Table (BRCWRT) meetings and events, especially during times of public health crises such as the current pandemic. To ensure the safety and wellbeing of our members, BRCWRT will follow public health guidance and advice from the Centers for Disease Control and Prevention (CDC), the Commonwealth of Virginia, and local northern Virginia officials. We also will comply with all orders or restrictions imposed by Virginia, local officials, and/or the venues we use for meetings and events. All members, especially those at higher risk due to underlying health conditions, have an obligation to use their best judgment and individual discretion with respect to attending BRCWRT meetings and events based on their personal health, medical advice, and consideration for other members.
